Define Problem Statements (Customer Problem Statement Template):

Project: Employee Onboarding & Offboarding System in ServiceNow

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	An HR team member managing employee lifecycle activities.	Complete employee onboarding and offboarding processes efficiently.	Manual coordination between HR, IT, Facilities, and Security teams causes delays and inconsistent execution.	Requests, approvals, and task assignments are handled through multiple manual steps without centralized tracking.	Concerned about delays, errors, and lack of visibility into employee lifecycle activities.
PS - 2	An IT, Facilities, or Security team member handling employee tasks.	Receive and complete assigned onboarding/offboarding tasks on time.	Tasks are not automatically assigned and tracked across departments.	Manual communication is required to coordinate access provisioning, asset allocation, and access revocation activities.	Frustrated due to delays in completing employee-related
